BLOCK

Designer - Jens Juul Eilersen
Design Year: 2013

With a nod to mid-century creativity, the Block sofa captures a unique moment of Scandinavian design history, bringing it firmly into the present with premium materials and impeccable craftsmanship.

The Block sofa offers a unique, playful silhouette that can be easily customized to your taste and space.

The low seat and rounded elements make it easy to move around your 'blocks'. Removable and cleanable covers ensure that you'll never feel bored.

With hidden legs, Block offers a sense of ease and leisure that makes it ideal for private spaces as well as larger, commercial spaces: hotel lobbies, corporate offices, and museums would benefit from the individuality and sturdiness of the Block sofa.

The standard version comes with a fixed cover, but it is possible to order a removable one that can be dry cleaned and changed as desired. Underneath the cover there is a calico cover made from 100% cotton to protect the upholstery.

Block is available in twelve different sections, arms and footstools.

Seat height is standard 40cm (15 ¾") but can be increased by either 2cm (¾") or 4cm (1 ½").

FEATURES:

- The model comes standard in twelve module sizes making the width totally customisable, while the depth remains consistent
- Fixed cover is standard but removable cover is available
- Block can be customised for individual wishes
- Customise with fabric choices in 200+ options, including using your own fabric
- Leg height can be increased by either 2cm (¾") or 4cm (1 ½")with our leg heightening kit. Standard leg is 6x6x6cm (2 ¼")
- The footstools can also be used as a closing, centre, and corner section
- New cover is available for the model

WHAT TO CONSIDER:

- The back cushion is not included and must be ordered separately
- If you choose the down pillows, please note that they benefit from regular fluffing

FRAME: Frame in solid Scandinavian pine doweled together in triangular frames, assembled and braced with low emission Masonite, using a water-based glue.

Seat suspension of highly elastic Nozag springs of varnished European carbon steel mounted in specially developed coated silent spring holders.

The frame is upholstered with several types of high-quality polyurethane and hard foam for comfort and long durability.

CUSHIONS: The seat cushion consists of a highly elastic polyurethane foam core with a wrap of 600 g Fiberfill.

The cushion filling in other cushions is 100% high-quality down and small duck feathers, sewn into a ribbed down-proof cambric (casing) in 100% cotton.

All down and duck feathers is a biproducts from dead animals used in the food industry.

The down can emit a faint odor at high humidity and should be air-dried regularly. To maintain the shape and appearance of down cushion and pillows, regular fluffing-up and airing is recommended.

COVER: Block is available upholstered in any fabric or leather from the Eilersen collection or in COM fabric or leather (Customer's Own Material).

With fabric upholstery the standard delivery is with a fixed-frame cover, alternatively with a removable cover on the frame, both with an inner cover in stout made of 100 % cotton.

With leather upholstery the standard delivery is with a fixed cover on the frame with an inner cover in stout made of 100 % cotton.

All cushion covers are equipped with a high-quality zip.
