Tub is soft, inviting and customizable. The Tub series contains corner, closing and centre sections, which can be combined as desired. Its sleek outer shell contrasts with a plush interior, creating a dynamic and stylish design. With the Tub sofa comfort meets modern sophistication.

FRAME: Solid-wood frame with Nozag-spring seat-base, covered with polyurethane foam.
CUSHION: Seat cushion is HR foam in a sandwich construction with a firmer foam on the bottom and a softer on top with a top of fiberfill.
Back- and arm- cushion are both a down-top cushion consisting of a highly elastic HR polyurethane foam core with a wrap of 100% down and small duck feathers sewn into a ribbed, feather proof cambric casing.
To retain the feather cushion's appearance and shape, regular fluffing-up and airing are recommended.

COVER: Tub is available with fabric or leather upholstery.
As for fabric upholstery: Standard delivery has fixed-frame upholstery, and alternatively it is available with removable cover on the frame with a calico cover underneath.
As for leather upholstery: Standard delivery is with fixed-frame upholstery.
All cushion covers have zip-closing.
LEG: Standard delivery is with 85 x 40 x 25 mm legs in brushed stainless steel.
Furthermore, the model is offered with black lacquered legs (RAL color 9004, matt) in stainless steel and with legs in wood, natural, oil treated, or stained in black or dark brown with an additional surcharge.
GUARANTEE: The factory provides a 5-year guarantee to cover frame, springs and cushion filling.
